

PRIVACY NOTICE

This Privacy Notice sets out the details of how Daniel Price Coaching (“we”, “us”, “our”) as data controller, collects and processes your personal data obtained directly from you, or through our website located at <https://www.danielpricecoaching.com/> or our other online platforms and social media channels which, for the purposes of this privacy notice, shall be collectively referred to as (“the Website”).

For the purposes of this Privacy Notice, personal data shall mean any information that can be used to identify an individual whether directly or indirectly (“Personal Data”).

Please read through the content of this Privacy Notice carefully and ensure that you understand it. If you do not understand the content of this Privacy Notice or do not accept or agree with it then you must stop using the Website and/ or accessing our other online platforms, social media groups and any other associated groups or pages immediately. If you have already provided us with any Personal Data, then you must contact us immediately.

By accessing the Website and providing us with your Personal Data you are warranting that you are over 18 years of age. This Website is directed to individuals who are at least 18 years of age. The Website is not intended to be used by anyone under the age of 18 and we do not collect any Personal Data or information from anyone under 18 years of age in compliance.

If you have any questions about this Privacy Notice or require more information concerning our privacy and data protection practices, please contact us at dannydrum.price416@gmail.com

What personal data do we process, why do we process it, and how do we collect it

We may process Personal Data that you provide to us by subscribing to a newsletter or email list, requesting information through a contact form, or by any other communication via email, text or through our Website.

We may also process your Personal Data through the use of cookies or other tracking software on our Website. Please refer to our separate cookie policy for further information.

We may also process Personal Data received from third parties such Google, Facebook, Instagram, LinkedIn, Youtube, PayPal, Stripe or other information, analytic or advertising providers or other search or payment processing services.

When we process your Personal Data we will comply with relevant data protection laws and principles such as the General Data Protection Regulation (EU Regulation 2016/679) (“GDPR”), which means that your data will be used lawfully, fairly and in a transparent way, kept securely and only for as long as necessary for the purposes we have told you about.

We shall only collect and process your Personal Data for purposes that are clearly outlined prior to you providing us with your data, or for a legitimate reason.

Whenever we process your Personal Data we do so on the basis of a lawful condition this will either be because you have given your consent for us to process your Personal Data, where we are under a contractual or legal obligation, or where it is in our legitimate interests to do so.

We do not carry out automated decision making or any type of automated profiling.

The types of Personal Data which we process will vary depending on your own specific circumstances but typically can include:

- ❖ **Personal Information:** which may include your name, date of birth, email address, phone number, business contact details, correspondence address, IP address. We shall process this data for the purposes of communicating with you and keeping our records on the lawful grounds of legitimate interest;
- ❖ **Customer or Client Information:** should you purchase goods and/or services from us then we may process information in connection with your purchase, and the supply of that purchase, as well as keeping appropriate records. Such information may include your Personal Information, billing address, delivery address, credit card or other payment details and we shall process it on contractual grounds;
- ❖ **User Information:** this may include comments or statements that you may make or post via our Website, online platforms or social media channels, images, documents or videos that you share on or through our Website or through any of our pages or other online platforms, and information concerning your use of our Website or other online platforms such as your browser information, pixel ID, page views, pages visited, number of visits and where appropriate log-in details. We shall process this information to analyse and monitor usage and content of our Website and other platforms and channels to ensure the content is relevant to you, to support our administration and record keeping requirements, and to maintain security of our systems on legitimate interest grounds;
- ❖ **Promotional Information:** this may include information you provide in connection with any promotions, marketing, or advertising from us or our third parties. We shall use this information to provide relevant offers and advertisements, competitions and promotions and other free resources and to monitor our promotional activity, keep records and compile analytics on legitimate interest grounds.

We may also process your Personal Data to deliver or send relevant advertisements to you through our Website and to analyse the success and effectiveness of such adverts for our legitimate interest purposes of promoting and growing our business.

Where we contact you through email, we shall ensure that our emails clearly display the location of the sender and include clear options for you to opt-out from receiving contact from us in accordance with the CAN-SPAM Act.
